

Reserve Range

2019 Semillon

Tasting Notes

A bouquet of lime juice, citrus blossom and mineral notes with flavours of juicy limes and mouth watering acidity. This cool climate Semillon will age well.

Winemaking and Viticulture

This Semillon showcases the best fruit from 2019 vintage. Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. The fruit is then lightly pressed and drained and only the free run juice is used to produce this elegant wine. All the fruit is sourced solely from Shaw Vineyard Estate's Murrumbateman vineyard, an area renowned for production of premium cool climate wines Stelvin closures are used for freshness and to ensure long term quality.

Closure	Stelvin	Alcohol	11.5%
Winemaker	Graeme Shaw & Jeremy Nascimben	Res. Sugar	0.2 g/L
Grape Variety	100% Semillon	Cellaring	15 years
