Estate Range

2019 Semillon Sauvignon Blanc

Tasting Notes

This elegant wine has a nose of lemon peel, passionfruit and lime. Delicate fruit flavours of lemon juice and lime are supported by persistent yet soft fresh acidity.

Winemaking and Viticulture

Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. The fruit is then lightly pressed and drained and only the free run juice is used to produce this elegant wine. The Semillon is sourced from Shaw Vineyard Estate's Murrumbateman vineyard, an area renowned for production of premium cool climate wines. Stelvin closures are used for freshness and to ensure long term quality.
